Mitel CloudLink API

Terms of Use

By accessing or using the APIs or authorizing or permitting any individual to access or use the APIs You agree to be bound by these Terms of Use. If You are accessing the APIs on behalf of a company, organization, or another legal entity (an "**Entity**"), You are agreeing for that Entity and representing to Mitel that You have the authority to bind such Entity and its Affiliates to these Terms of Use, in which case the terms "You", "Your" or a related capitalized term herein shall refer to such Entity and its Affiliates. If You do not have such authority, or if You do not agree with these Terms of Use, You must not access or use the APIs.

Your use of the Mitel API's made available by Mitel (the "API") is Your **acknowledgment** to the following:

Definitions:
- **API(s)**: means application programming interface and includes one or both of the following: source code, instructions, accompanying or related documentation, SDKs, executable applications, and other materials made available by Mitel, including, without limitation, through this website.
- **Applications**: means software applications developed by or for You that utilize the API supplied by Mitel.
- **Mitel**: means Mitel Networks (International) Limited on behalf of itself, its subsidiaries, and affiliates.

Limited Use

We make the APIs on this website available to you free of charge on a non-exclusive basis to assist with Your development and creation of integrations between Mitel applications and Applications.

You are required to: (i) obtain and maintain a valid Mitel CloudLink account and authentication token (a "**Token**"); (ii) submit a request to Mitel for approval of Your Application, such approval is at Mitel's sole discretion; and (iii) be a Mitel Authorized Partner and in good standing with Mitel. Upon acceptance of Your Application, Mitel will issue You a unique Client ID for your Application ("**Client ID**"), at which time, Mitel grants You a non-exclusive, non-transferable, non-sublicensable, worldwide, revocable right and license during the Term to; (a) use and display the Mitel name and/or logo only to identify that the Application originates from the API; and (b) market, sell, distribute, use, perform, and display the Applications. In addition, Mitel may make an application listing service available for you to list Your Applications with a Client ID, in which case, you will be responsible to provide and maintain accurate contact information for any such listing.

You may use subcontractors in your development and creation of the Applications provided you: (i) do not share your Token with the subcontractors; (ii) do not permit subcontractors to create, use, or share the Applications for anyone but You; and (iii) You remain solely responsible for such subcontractors' activities including indemnifying and holding Mitel harmless. Use of the APIs will be available to You until terminated by Mitel (the "**Term**").

You shall: (a) not share Your Token or Client ID with any third party; (b) keep such Token, Client ID and all login information secure; (c) use the Token and Client ID as Your sole means of calling the APIs from your Application; (d) not use the APIs for purposes of creating Applications that compete with Mitel; and (e) adhere to all terms and conditions of Your agreements with Mitel (e.g., the Partner Program Agreement) including but not limited to prohibition of (i) defaming or disparaging Mitel, its's products or services, and (ii) encouraging customers or prospective customers to breach a contract they may have with us, another partner, or a third-party.

If the APIs provide links to other websites owned by third parties, the content of such third-party sites is not within our control, and Mitel cannot and will not take responsibility for the information or content thereon. Links to such third-party sites are not to be taken as an endorsement by Mitel of the third-party site, or any products promoted, offered, sold, or discussed on such site. Mitel cannot and does not take responsibility for the collection or use of personal data from any third-party site nor do we accept responsibility for the accuracy of third-party advertisements.

You acknowledge that You are solely responsible, and that Mitel has no responsibility or liability of any kind, for the content, development, operation, support or maintenance of Applications. Without limiting the foregoing, You will be solely responsible for: (a) the technical installation and operation of Your Applications; (b) creating and displaying information and content on, through or within Your Applications; (c) ensuring that Your Applications do not violate or infringe the intellectual property rights of any third party; (d) ensuring that Applications are not offensive, profane, obscene, libelous or otherwise illegal; (e) ensuring that Your Applications do not contain or introduce malicious software into a service, any content, any service data or other data stored or transmitted using the service; (f) ensuring that Your Applications are not designed to or utilized for the purpose of spamming any Mitel end users, agents, partners, or personnel; and (g) ensuring that Your Applications do not violate any applicable law or third party right.

Feedback

Providing constructive feedback on Your experience with the APIs is highly encouraged via the Mitel community forum and application submission process.   You grant Mitel a royalty-free, fully paid-up, worldwide, transferable, sub-licensable, irrevocable, and perpetual license to incorporate into Mitel applications or otherwise use any suggestions, recommendations, or other feedback Mitel receives from You.

Support

Mitel is not obligated to provide any support or technical assistance for the APIs to you or your end users (if any) or your Application and you will not represent that Mitel is available to provide such support. You are solely responsible for providing all support and technical assistance to end users of your Application.

NO WARRANTY

Mitel has made every attempt to ensure the accuracy and reliability of the APIs, however the APIs are provided "as is" without warranty of any kind and may include errors or omissions. Mitel does not accept any responsibility or liability for the accuracy, content, completeness, reliability or non-infringement of the APIs. No warranties, promises, and/or representations of any kind, expressed or implied, arising by law, custom, prior oral or written statement, by Mitel or otherwise, are given as to the nature, standard, accuracy or otherwise of the APIs, nor to the suitability or otherwise of the APIs to your particular circumstance.

Modifications

Mitel reserves the right to make additions, deletions, or modifications to the APIs at any time and without prior notice. Furthermore, while Mitel makes every attempt to provide this information on a timely basis, it is possible, and in some cases likely, that the APIs may be outdated.
