Net-Zero Challenge

Committed to a clean future

Confirmation of Participation

Congratulations on joining the **Net-Zero Challenge**!

This document confirms that Mitel Networks (International) Limited is a participant in Environment and Climate Change Canada's **Net-Zero Challenge**.

The **Net-Zero Challenge** is a voluntary initiative that aims to encourage businesses to develop and implement credible and effective plans to transition their facilities and operations to net-zero emissions by 2050.

To remain in the **Net-Zero Challenge** your company must continue to meet the participation requirements as outlined in the Technical Guide. This will ensure that your company maintains active participation. You may contact the **Net-Zero Challenge** program directly at any time to seek clarification or guidance.

This document may be updated and reissued with new participant information, as necessary.

Name of Company/Business: Mitel Networks (International) Limited

Current Participation Tier: Committed

Commitment Date: September 25, 2026

Please keep this confirmation document for your records.

All the best!
